

We'd like you to meet

*Travis Kern*

DDS MD

Dr. Kern was born and raised in Austin. After completing his education, he returned to join Austin Oral Surgery in 2011. Dr. Kern earned his DDS and MD at the UT Health Science Center in San Antonio, followed by general surgery internship and oral and maxillofacial residency. He then completed a Fellowship in corrective jaw surgery in North Carolina. He enjoys spending time with his wife and two children. Most weekends you will find them at a local soccer or little league field.

We're glad he decided to come back home to Austin. Dr. Kern practices at our North Central Austin and Marble Falls locations.
